## Civil Construction Leading Hands, Supervisors...

If you have experience in one of these roles but no formal 'piece of paper' to prove it, then this course is for you.

Completing this course qualifies you as a Civil Supervisor, and is now considered a MUST HAVE for a position as a Leading Hand or Supervisor with all the major civil construction companies in Australia. Qualified supervisors are in high demand in Australia and in most other countries.

This qualification will help you to secure other positions if you need to look for alternative jobs in the future. Gain new skills and practical strategies.

Use this NSW funding to help gain the qualification to match your current work position.

## Gain a 2nd Qualification at the same time...

Make your future employment more flexible – Mining, Gas, Wind Farms, Building industries... Also gain your Certificate IV in Leadership and Management - only an extra 3 units added to your Certificate IV in Civil Construction Supervision OR only an extra 5 units added to gain also Certificate IV in Project Management Practice.

## Why complete this course with Global Training Institute?

You can use your previous experience, workplace projects and work towards your assessments. Your course assessment and training is designed around your work and what you do every day as a Supervisor. It is not scary but very practical and you will really relate to it.

Your course will be designed to fit in around your busy work/home life and rosters (day shift, night shift, FIFO). This means you can continue to work while you complete it. You will have access to your materials and assessments Online 24/7, and regular phone sessions with your Trainer daytime or in the evenings, to fit in around your work. There are No exams and No essays to complete. You will have strong support from office staff, Trainer and your own Completion Coach, including Unlimited phone sessions. Only simple computer skills required.

## How Much Will It Cost? - Concession Available.

The maximum fee for this course is only \$240 for eligible people. Eligible people are those receiving commonwealth subsidies e.g JobSeeker, NewStart etc.

"The whole course was excellent, it definitely advances you. I have learnt how to be better and become successful. I will now ask more questions at work, am more aware of my OHS and risk responsibilities and make more effective use of my time. Yep, Yep I would definitely recommend it to other Civil Supervisors."
