Project Team Members, Gangers, Civil Construction Leading Hands, Supervisors...

If you have experience in one of these roles but no formal 'piece of paper' to prove it, then this course is for you.

Why complete this course with Global Training Institute?

Completing this course qualifies you as a Civil Supervisor, and is now considered a MUST HAVE for a position as a Leading Hand or Supervisor with all the major civil construction companies in Australia. Qualified supervisors are in high demand in Australia and in most other countries. Your previous experience is recognized. You can use your previous experience, workplace projects and work towards your assessments. Your course assessment and training is designed around your work and what you do every day as a Supervisor. It is not scary but very practical and you will really relate to it. Your course will be designed to fit in around your busy work/home life and rosters (day shift, night shift, FIFO). This means you can continue to work while you complete it. You will have access to your materials and assessments Online 24/7, and regular phone sessions with your Trainer day time or in the evenings, to fit in around your work. There are No exams and No essays to complete. You will have strong support from office staff, Trainer and your own Completion Coach, including Unlimited phone sessions. Only simple computer skills required

You will discover and implement the practical strategies that will make a REAL difference to:

- Supervising Contractors and staff
- Coordinating onsite resources
- Ensuring onsite operations adhere to implementation of safety, risk, quality, environmental standards, systems and regulations

"Excellent. Others should do this course to better their knowledge around civil and being a supervisor/foreman. The support processes were very helpful and precise. This course has taught me to plan ahead to know where you're going and what you want to achieve."
