## Civil Project Managers, Site Supervisors, General Foreman, Construction Managers...

If you have experience in one of these roles but no formal 'piece of paper' to prove it, this course is for you.

Gain Your Diploma of Civil Construction + Diploma of Project Management and develop your Career, as a Project Manager within Construction. Gaining 2 qualifications doubles your employment opportunities and shows future employers that you are serious about your Project Management career. Becoming qualified with your Diploma's is highly valued within Civil Construction, Construction, Mining and Coal Seam Gas.

Gain 2 qualifications at the same time for only an extra 3 subjects, compared to just completing the Diploma of Civil Construction. Everything you need is included  
Complete Practical Projects as assessments - no exams or essays.  
Simply answer questions and provide workplace documents to match.

Complete this course to secure your future employment in these roles with the major civil companies within Australia or help you to gain work in many different industries as a Project Manager eg. oil and gas, coal seam gas, mining, building construction, and other industries.... Gaining 2 qualifications doubles your employment and promotion opportunities and shows future employers that you are serious about your career. This civil qualification is often the entry requirement for you to work overseas on major civil, oil and gas, coal seam gas projects eg. Kazakhstan, China, Laos, Middle East...

## Why complete this course with Global Training Institute?

### When you train with us, you get:

- Training that is designed to fit in around your busy work/home life.
- Able to get fitted into your rosters (day night, FIFO)
- Gain recognition for the Civil and Project Management skills you already have
- Online access 24/7 to resources and assessments
- Regular and UNLIMITED phone sessions with Trainer (day or evening)
- Strong support from office staff, Trainers and your own Completion Coach
- Training and Assessments that relate to your work and industry
- No heavy theory. No Essays. No Exams

"Good practical discussions were encouraged at workshops, and good exchange of ideas and strategies. The content was well suited to our civil management roles. It reinforces good processes for the workplace. Workshops are always high value/high gain-excellent sessions. Thanks."

Andrew Dunbar
