Who is this course for?

Designed for working professionals, supervisors, and managers, you can study at your own pace and become qualified. With flexibility built in at every stage, you can maintain your work-life balance while building your future and Advancing your Career. This practical program provides skills, knowledge and support so that you can make changes, and implement HR systems, in your organisation.

Where can this course take you?

This qualification will help you gain employment as a supervisor, leader, or manager, in a wide range of industries. Completing this dual diploma will give you skills and techniques that are recognised and valued Australia wide and internationally. Not only will you 'stand out' from the crowd, but you will learn how to manage complex projects based on the international Project Management Body of Knowledge PMBOK – project, time, scope, cost, communication, procurement, and risk!

"...The area of the course that had the most significant impact on my life was the relevance of my everyday business operations.... I found the personal development aspect of the training gave me a much better understanding of how to reach my goals, as well as human resources and developing new skills in the recruitment process. I have already recommended your training. I found it thorough and worthwhile. It really makes you think and apply your knowledge to your own situation."
