Who is this course for?

This course is suitable for you if you are an experienced senior manager, executive, CEO, Director, or business owner who doesn't have management qualifications that match your experience level

Develop your Leadership and management skills as you complete your Advanced Diploma of Leadership and Management. You will discover and implement the practical strategies that will make a REAL difference to:

- Leading your organization or department
- Implementing the goals of the organisation
- Increasing you and your staffs productivity
- Strategic Planning and System development
- Growth and success in the new economy

Here's what one of our students thinks...

"I was not disappointed, this course was very thorough. The whole thing really structured and formalised what I have been doing professionally. I have already recommended this to many other colleagues. Very well done."

Geoff Spencer

Where can this course take you?

For a successful management career these days, becoming formally qualified with your Advanced Diploma of Leadership and Management is now considered a MUST.

By gaining your Management Qualifications with Global Training Institute, you will have the option to fast track your way to the third and final year of a Bachelor of Applied Management, or direct entry into the MBA pathway (skip 3 years of uni and save \$40k-60k.
