Civil Construction Leading Hands, Supervisors, Gangers...

If you have experience in one of these roles but no formal 'piece of paper' to prove it, then this course is for you.

Most major Civil Companies now expect their Supervisors to hold this qualification. Use this funding to help gain the qualification to match your current work position – this helps to secure other positions if you need to look for alternative jobs in the future.

Gain a 2nd Qualification at the same time...

Make your future employment more flexible – Mining, Gas, Wind Farms, Building industries all value the Certificate IV in Leadership and Management – only extra 3 units.

Why complete this course with Global Training Institute?

It is not scary but very practical and you will really relate to it. Your course will be designed to fit in around your busy work/home life and rosters (day shift, night shift, FIFO). This means you can continue to work while you complete it.

Your training will include:

- Unlimited Phone sessions with Trainer (day or evening)
- Online + on USB so you can work on your computer when you don't have internet
- Practical Projects as assessments
- No exams or essays.
- Simply answer questions and provide workplace documents

Use this NSW funding to help gain these qualifications.

"The whole course was excellent, it definitely advances you. I have learnt how to be better and become successful. I will now ask more questions at work, am more aware of my OHS and risk responsibilities and make more effective use of my time. Yep, Yep I would definitely recommend it to other Civil Supervisors."
