## Project Team Members, Gangers, Civil Construction Leading Hands, Supervisors...

If you have experience in one of these roles but no formal 'piece of paper' to prove it, then this course is for you.

Most major Civil Companies now expect their Leading Hands and Supervisors to hold this Civil qualification.

## Gain a 2nd Qualification at the same time...

Make your future employment more flexible – Mining, Gas, Wind Farms, Building industries all value the Certificate IV in Project Management Practice – only extra few units.

- Online access 24/7 to resources and assessments OR on USB so you can work on your computer when you don't have internet
- Practical Projects as assessments.
- No exams or essays.
- Simply answer questions and provide workplace documents

Use this NSW funding to help gain these qualifications.

"Excellent. Others should do this course to better their knowledge around civil and being a supervisor/foreman. The support processes were very helpful and precise. This course has taught me to plan ahead to know where you're going and what you want to achieve."

Shannon Clelland.

## How Much Will It Cost? - NSW Funded.

There is lots of funding available at the moment: subsidies, payment plans, government grants that may make your course 100% FREE or at least pay \$0 upfront to start....

You are welcome to have a browse of the 'funding options' page here, but you'll probably find more than one that will fit you.

To see what you are eligible for, either do the **quick quiz** on that page or just give us a call on 1800 998 500 and we will work out the best option for you.
