Yes

Who is this course for?

This dual qualification is ideal for Leading Hands, Supervisors, Gangers and project team members looking to back their experience with a formal qualification.

Make your future employment options more flexible by developing practical project management skills based on the nine knowledge areas within PMBOK including project scope, time, cost, HR, risk, and quality.

Here's what one of our students thinks...

"Excellent Course for supervisors and foreman. You get to better your knowledge around civil and being a supervisor/foreman.

This course has taught me to plan ahead to know where you're going and what you want to achieve."

The support processes for assessments were very helpful and precise."

Shannon Clelland

Where can this course take you?

Get your skills formally recognised and prove to employers you have the knowledge and experience to get the job done.

Gain the formal qualifications that will help you get onto new projects as a Supervisor or project manager.

Take the next step towards becoming a project manager or construction manager in the civil construction industry.

How Much Will It Cost? - NSW Funded

There is lots of funding available at the moment: subsidies, payment plans, government grants that may make your course 100% FREE or at least pay \$0 upfront to start....

You can browse our funding options page by [Clicking Here](#), but you will probably find more than one option that will fit you.

To see what you are eligible for, either complete the free funding quiz below or just give us a call on 1800 998 500 and we will work out the best option for you.

NSW Smart and Skilled Subsidy

You may be eligible for a fully funded FREE qualification with us through the NSW Skilling for Recovery – JobTrainer program.

Take advantage while the government helps pay for your course. Don't miss out on this opportunity to stand out from the crowd on your next job application.
