Who is this course for?

If you have either :

- 2 years of full time experience in a Human Resources role, or;
- A Certificate IV in Human Resources.

During this course, you will discover and implement practical strategies that will make a REAL difference to developing and implementing performance management processes, managing people performance, developing job descriptions, advertising staff vacancies, assessing applications and interviewing applicants, and providing recommendations to management.

Here's what one of our students thinks...

"Before I started this qualification, I knew bits and pieces of HR as I had been in this role for 5 years.

Completing this qualification has made me a lot more confident. I can back myself up as I have all the knowledge behind me now. I recommend it to anyone in my field."

Simone Blackmore

Where can this course take you?

This human resources course will not only accelerate your career but also lead you into a wide range of industries in which you can gain employment opportunities, working in banks, insurance companies, manufacturing or retail firms, hospitals, government departments... You name it!

This qualification gets your previous experience and HR skills formally recognised and proves to employers you have the knowledge and experience to be a HR professional.
