Who is this course for?

This course is suitable for you if you are either:

- a) Experienced manager who doesn't have formal management qualifications
- b) You wish to develop or advance your management career.

You will be developing your practical skills and knowledge in supervision and management as you complete your Diploma of Leadership and Management. This practical program provides skills, knowledge and support so that you can make changes and have your team or department thriving.

Here's what one of our students thinks...

"The course is excellent. Very practical management strategies. Every topic has new ideas to implement - Communication, project, leadership..."

All good for the way I am to communicate with my teams and workers"

Amjad Maaya

Where can this course take you?

This qualification will help you gain employment as a supervisor, leader, or manager, in a wide range of industries.

If you are looking for recognition of your previous experience to be able to move into a new job or industry, having your Diploma of Leadership and Management will help you 'stand out' from the crowd.

You may have previous management experience and are now looking to land a new job or promotion, possibly in a different industry. Many employers are happy to teach you new technical skills if you are entering a new industry as long as you can show you already have the required valuable leadership skills. You will have many transferable skills which are highly valued by employers.
