Project Managers, Project Administrators, Project Coordinators, Compliance Auditor, Manager...

If you have experience or wish to be employed in one of these roles, this course is for you...

This may be your opportunity to 'Get off the tools' or expand your career. Qualified project staff are in high demand (and are highly paid) in Australia and in most other countries within Construction, Energy, Manufacturing, IT, Healthcare... In NSW, there over 3700 new infrastructure projects coming, employing 100,000 people per year*. All projects need qualified project staff. **Which job do you want?**

Why complete this course with Global Training Institute?

When you train with us you get:

- Training that is designed to fit in around your busy work+home life
- Recognition for the Project Management skills you already have
- Training and Assessments that relate to your work and industry
- No heavy theory. No Essays, No Exams'
- Online access 24/7 to resources and assessments
- Regular and UNLIMITED phone sessions with your Trainer (day or evening)
- Strong support from office staff, Trainers and your own Completion Coach
- Access a huge 'tool-kit' of projects management resources, templates, information and skills

Your project management course is based around the nine knowledge areas within the Project Management Body of Knowledge (PMBOK) which is used worldwide by professional Project Managers. You will discover and implement the practical strategies that will make a REAL difference to Delivering projects on-time and in- budget and being able to increase your project teams productivity, performance and morale.
