Who is this course for?

If you are passionate about quality, risk management, best-practice, compliance and have an eye for detail.

This dual qualification is ideal for Project Managers, Quality Auditors, Internal Auditors, and compliance staff looking to back their experience working on complex projects.

Gain 2 qualifications at the same time while using practical work based projects as your assessments - no exams or essays

Here's what one of our students thinks...

"I fully recommend you do this course, if you do not have experience with internal audits programs, or even if you do have experience, you can RPL the assessments.

I learnt more about contingency planning in Audits and when things may not go according to plan."

Craig Sergeant
